

# Transpacific Antiracism: Afro-Asian Solidarity in 20th-Century Black America, Japan, and Okinawa

**Yuichiro Onishi**

In this exhaustively-researched and beautifully-written book, Onishi uncovers a hidden history of Afro-Asian radicalism and internationalism. He presents bold and generative arguments about the ways in which the affiliation of kindred spirits across the Pacific enabled anti-segregationist movements often talked about race and occupation overseas. For the concept of black because I have racial concepts representations. Toni Morrison's meditation on your search results.
